JON SCHULZ

Cheboygan County Fair
Dedication 2023

The Cheboygan County Fair Board dedicates the 2023 fair book to Mr. Jon Schulz.

Jon has been a behind the scenes, ever-helping, long lasting staple for nearly 3 decades. Whether using his expertise in welding, equipment repair or his vast knowledge of construction and engineering he always seems to get the job done. Jon is continuously there to support any and all, even if it means fixing Terry's office window at 5 o'clock in the morning. You can always rely on him to do anything there is to do within the four fences of the grounds. From security guard duties for the camel in the petting zoo, flagging the last turn in the Bump & Run that no one else will take or coughing up the last dollar needed for the 50/50 ladies to have an even number; he does it all. Jon has always said that he is your guy as long as he is home before the Librarian wakes up and that has held steadfastly true.

The Cheboygan County Fair Board would like to thank Jon and 3rd Street Tire for years of service and dedication. Here's to another couple decades (you can't get away from us).

KATHLEEN ANGERER
ACTING DIRECTOR

Dear Friends,

On behalf of Michigan's fair industry, welcome to the 2023 county fair season!

Millions of people attend Michigan's county fairs each year. I'm confident fairgoers will continue to enjoy the sights, sounds and activities that have become an annual tradition for many of us.

Michigan's county fairs are an important part of our state's growing food and agriculture industry, helping to maintain a much-needed connection to rural traditions while highlighting modern agriculture practices. Our state's 85 local, county, and state fairs provide safe, family-friendly entertainment and celebrate the bounty of our agricultural harvest.

Fairgoers support the nearly 50,000 Michigan youth who participate in livestock and community arts exhibitions each year. Many local businesses and families also support the efforts of our young exhibitors' efforts through youth livestock auctions held at most of our county fairs. Many of our exhibitors use the auction proceeds to help fund their continued education.

Whether you are here as a sponsor, exhibitor, or a fairgoer, there are many family memories awaiting you. I wish you great adventures during the 2023 fair season.

Sincerely,

A handwritten signature in blue ink that reads "Kathleen A. Angerer".

Dear Friends,

On behalf of the State of Michigan, I would like to welcome you all to the 2023 fair season. Our county fairs provide an excellent outlet for education, local charm, and fun!

Each year, county fairs across Michigan showcase the unique talents, skills, and dedication of our 4-H and FFA members. County fairs provide excellent opportunities for Michiganders to gather in celebration of our agricultural industry, highlighting modern agriculture processes, and honoring years of traditions.

I guarantee that the exhibits from our 4-H and FFA members will impress you and your family. As you gather with family and friends this fair season, I hope you enjoy the delicious fair foods and family-friendly fun that county fairs provide. I have no doubt that your local county fair will offer entertainment and education for the whole family.

I send my best wishes for a fun and educational fair season. Be sure to visit one of Michigan's local or county fairs this summer as part of your summer family vacation plans!

Sincerely,
