Old business ~ Concert

Matt Barber reported Petoskey has always done a Wednesday country band concert and they never make any money. The concert committee decided to go for a Friday rock and roll concert. Everclear and Uncle Kracker fit our criteria. Have another local band for an opener? Darwin Project? We will use the exact same contract with different dates and different dollar amounts. Motion Brenda Wirgau, support Zach Taylor to pursue Everclear and Uncle Kracker. Motion carried unanimously.

Adjournment ~ Motion Brenda Wirgau, support Matt Horrocks to adjourn. Motion unanimously carried. Meeting adjourned at 6:40 pm.

Respectfully submitted,

Cheryl Heiny
Fair Board Secretary
